Introducing an easy-to-install, cost-effective way to monitor indoor or outdoor activity, whether it's in near complete darkness, uneven light, or bright direct sunshine.

Equipped with 18 IR LEDs, the new Z-AHD20A200M camera captures outstanding, highly detailed video images virtually anywhere. It delivers the enhanced capabilities, reliability and ease-of-installation that you have been searching for in a day/night bullet camera. Proven auto white balance meet the requirements of most applications. Best of all, the Z-AHD20A200M can be installed virtually anywhere indoors or outdoors, thanks to a IP66 housing built of the highest quality ADC12 aluminum that resists water, moisture, dust and vandalism. And its backed by a two-years warranty.
